THE 1930 LA REVUE

BIRMINGHAM-SOUTHERN COLLEGE

1859 Vol. XI 1930

THE SPIRIT OF THE PAST

TO those men who returned from the war defeated, but glorious in their defeat, who furled forever the sacred banner of their lost cause, and fired by that indomitable cavalier spirit of the Old South, built through untold sacrifices the New South in which we live and prosper today. To those men, our alumni, we humbly dedicate this memorial of a college year.

THE STATUS OF TO-DAY

TODAY, as a result of the efforts and sacrifices of those men, the South enjoys a most envied position in this great land of ours. It is the only part of America in which real culture exists. It is the only part of America in which there still exists the pure Anglo-Saxon stock, which settled this great country of ours, blazed its trails, and laid the foundations for its present powerful and prosperous condition.

THE PROMISE OF THE FUTURE

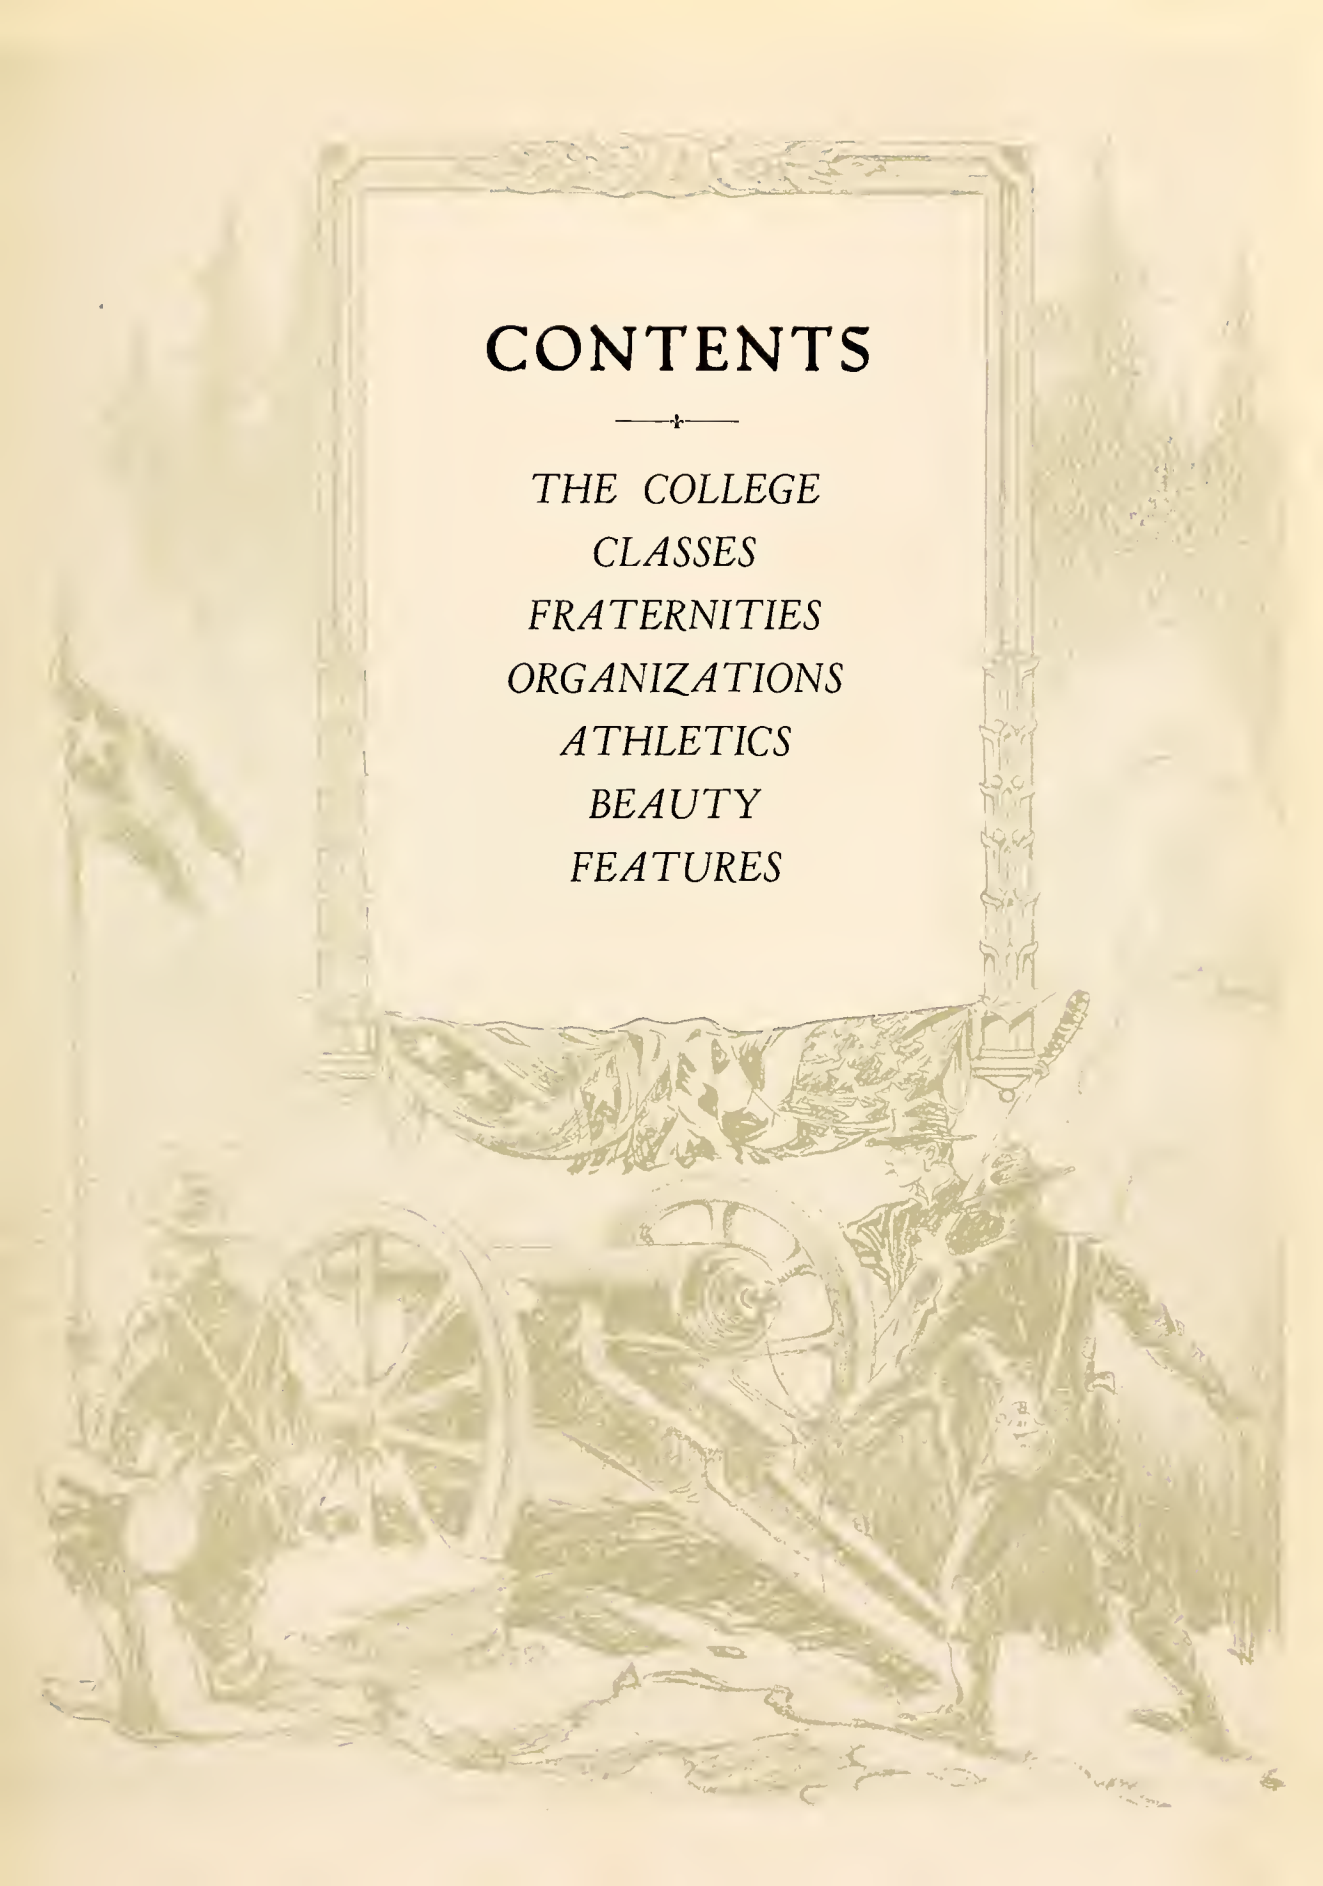

THE South now stands on the threshold of the greatest era of industrial development and prosperity that it has ever known. We pray that this will be of great benefit and happiness to our people, but in the mad rush and confusion of this industrial era, God forbid that we should ever forget and lay aside the culture and the high ideals set forth by those men to whom this book is dedicated. Let us be able to say,

"We have kept the faith."

Fold up the banners! Smelt the guns!
Love rules. Her gentler purpose runs.
A mighty mother turns in tears,
The pages of her battle years,
Lamenting all her fallen sons!

—W. H. Thompson.

The soldier stepped from the trenches into the furrow ⁂ and fields that ran red with human blood in April were green with the harvest in June ⁂

"The Virginians of the Valley"

The knightliest of the knightly race
That since the days of old,
Have kept the lamp of chivalry
Alight in hearts of gold;
The kindliest of the kindly band
That, rarely hating ease,
Yet rode the Spotswood 'round the land,
And Raleigh 'round the seas.

Who climbed the blue Virginia hills
Against embattled foes
And planted there, in valleys fair,
The lily and rose;
Whose fragrance lives in many lands,
Whose beauty stars the earth,
And lights the hearths of happy homes
With loveliness and worth.

We thought they slept! the sons who kept
The names of noble sires,
And slumbered while the darkness crept
Around their vigil-fires;
But aye the "Golden Horseshoe" knights
Their old Dominion keep,
Whose foes have found enchanted ground,
But not a knight asleep.

Francis Orrery Ticknor.

Stonewall Jackson's Way

Come, stack arms, men! Pile on the rails,
Stir up the camp fire bright;
No growling if the canteen fails,
We'll make a roaring night.
Here Shenandoah brawls along,
There burly Blue Ridge echoes strong,
To swell the Brigades' rousing song
Of "Stonewall Jackson's way."

We see him now—the queer slouched hat
Cocked o'er his eye askew;
The shrewd, dry smile; the speech so pat,
So calm, so blunt, so true.
The "Blue-Light Elder" knows 'em well;
Says he, "That's Banks—he's fond of shell;
Lord save his soul! we'll give him—" well!
That's Stonewall Jackson's way.

Silence! Ground arms! Kneel all! Caps off!
Old Massa's goin' to pray.
Strangle the fool that dares to scoff!
Attention! it's his way.
Appealing from his native sod,
"In forma pauperis" to God:
"Lay bare thine arms; stretch forth Thy rod
Amen! that's Stonewall Jackson's way.

The sun's bright lances rout the mists
Of morning, and, by George!
Here's Longstreet, struggling in the lists,
Hemmed in an ugly gorge.
Pope and his Dutchmen, whipped before;
"Bay'nets and grape!" hear Stonewall roar;
Charge, Stuart! Pay off Ashby's score!
In Stonewall Jackson's way.

JOHN WILLIAMSON PALMER.

Robert E. Lee

A gallant foeman in the fight,
A brother when the fight was o'er,
The hand that led the host with might
The blessed torch of learning bore.

No shriek of shells nor roll of drums,
No challenge fierce, resounding far,
When reconciling wisdom comes
To heal cruel wounds of war.
Though may the minds of men divide,
Love makes the heart of nations one,
And so, thy soldier grave beside,
We honor thee, Virginia's son.

THE most outstanding accomplishment of the year among the College Greeks was the founding of the Delta Club and the successful completion of its first year on the campus. The management of the La Revue and the other fraternities and sororities of the campus wish to take this opportunity to offer their congratulations to the Delta Club and their best wishes for its future.

*When at last he raised his black hands that the shackles might be struck off those ** hands were worthy to be taken in loving grasp by every man who knows loyalty and devotion ***

COACH GILLEM

Panther Coaches

The Birmingham-Southern coaching staff of this season is considered by most critics as being on par with any in the S. I. A. A. Conference and far above the average. Few colleges in this conference can boast of the all-around staff that is presented in the persons of Jenks Gillem, Carey Robinson, Ben Englebert, Lex Fullbright and "Red" Bryan.

Jenks Gillem is head football coach. He stresses defensive play, punting and waiting for the breaks to come his way and then releasing an attack which is forceful and dependable.

COACH ROBINSON

Coach Robinson serves as athletic director, varsity line coach, varsity baseball coach and has charge of the freshman basketball team. He is very popular both with his proteges and the student body.

Ben Englebert serves as varsity basketball coach and freshman football and baseball coach.

Aiding Englebert as assistant football coach is Lex Fullbright, a former Birmingham-Southern student.

This year's track coach, "Red" Bryan, comes from Georgia Tech. This is his first season at Southern and as yet his true value cannot be estimated, although he seems a capable fellow in his line of endeavor.

ENGLEBERT BRYAN FULLBRIGHT

Resume of 1929 Football Season

The Birmingham-Southern Panthers of this year had one of the most successful football seasons in the last few years of gridiron activity and were called by many critics the best balanced Panther machine in recent years.

They completed the season with a record of four wins and a like number of losses against one Southern Conference team and seven of the most outstanding teams in the S. I. A. A. The only blot on the whole record of much importance was the loss to the arch rivals from across the city, who they allowed to get the jump on them and acquire too large a lead before they started playing the football of which they are capable.

The Cats opened the season by journeying down to the Capital City and meeting Auburn, the Sleeping Giants of the Southern Conference, in a night game which proved anything other than a success due to weather conditions. After playing three-quarters of the greatest sort of defensive football imaginable, holding them for downs several times within the ten-yard line, they slipped up in the last quarter and allowed their goal line to be crossed, losing the counter to the tune of 6 to 0.

The second foe of the year was met in the person of the Spring Hill Badgers under the leadership of Mike Donahue, the old wizard who was so successful at Auburn and L. S. U.

a few years back. It was another masterpiece as far as weather was concerned, a heavy drizzle falling all through the game.

Everything went Southern's way except the score and the breaks. When the final whistle was blown the score was 15 to 6 in the Hillians' favor and another game had entered the loss column of the Panthers. Southern had made 15 first downs to 5 for the Badgers, but the will of the gods had been against them.

In the third game the Golden Panther found itself. Mercer was the unfortunate victim. After starting off slow in the first half and being held to one touchdown the Cats came to life and ran up 33 points the final thirty minutes to 7 for the opposition, calling it a day with the score 39 to 7 Southern. In this game the Hilltoppers showed a brilliant running and passing attack.

The following Saturday they journeyed up to Chattanooga accompanied by a large group of the student body. Here they met a worthy foe in the charges of Coach Drew and after playing a great defensive

game for three quarters, although trailing by 6 points most of the way, they came to life and took the lead, 7 to 6, with only seven minutes left to play.

It looked like a certain victory for the Panthers, but at this time the Moccasins released a drive which carried the ball all the way down the field for a touchdown. The final score read 13 to 7, Chattanooga. Only the superior fighting spirit of the Cats had held the score as low as it was.

The scene of the next encounter was Jackson, Tenn., and the foe Union, who they took in tow to the tune of 31 to 0 in a runaway affair.

Seven days later found them in Mississippi locking horns with the Millsaps Majors. Playing on a field that resembled a lake more than a gridiron the Southern representatives rolled up twenty points in the first thirty minutes of play and were contented with holding the opposition to seven points for the remainder of the game.

Saturday, Nov. 9, the Panthers made their first showing before home folks in three weeks and proceeded to scalp the Choctaws of Mississippi for their benefit. Showing a world of offense they acquired twenty points to nary one for the Indians.

Then came the Marne. As in former years the Panthers were jinxed from the start by being selected as the favorite by local sports writers. The game proved to be one of the strangest in the history of the two colleges. Howard took the field and rolled up eight first downs and seven points to none for the Panthers. In the second half Southern came back showing the fighting spirit for which they are noted and accumulated nine first downs and six points to 0 and 0 for the Baptists. But they had waited too late and had allowed the Bulldogs to pile up too great a lead. The final score read 7 and 6 and the boys from the east side of town had won by a point after touchdown.

When Coaches Gillem and Roberts called together prospects and would-be candidates last September they found many familiar faces missing. After much experimenting they moulded together a line that could withstand the assaults of most of the teams in their conference and a set of backs who could advance the ball against anybody's eleven.

This year's varsity was a good one, more power to next year's!

Freshman Football

The largest and most powerful frosh football squad ever to come to the Hilltop reported to Coaches Englebert and Fullbright at the football training camp. For the rest of the grid-iron season the Rats made life miserable for the varsity gridsters each afternoon in Munger Bowl.

This year's team should graduate many men into the ranks of letter men on next season's varsity. A heavy powerful rush line with fast-shifty backs featured the play of the frosh.

FRESHMAN FOOTBALL SQUAD

Varsity Basketball

Coach Englebert in his first year as varsity coach brought to the Hilltop the City "Big Six" championship. Again this year the cage critics of Birmingham have established the Panthers as the logical team to ascend the throne of the city title. Three letter men left the Cat fold by the graduation route last year, Lott, Nieppe and Barcliff checking out with their degrees. Six of last year's squad reported to practice after the holidays—Sargent, Currie, Battle, O'Brien, Summerford and Black with the added strength of Waller, Stewart, Vaughn, McCoullough and Williams from last year's frosh five.

Much rebuilding had to be in order when Coach Ben lost a wonderful center in Nieppe and a flashy guard in Lott. Ernie was as good as they come in getting them to a teammate on the tip-off and Lott had few peers in leading a fast breaking and passing attack. Pedro Black was assigned the place of getting the ball on the jnmp and as yet no man has gathered to himself the job of feeding the Panther's under baskets. Waller, Currie and Battle are the men that are leading the fight for this post. O'Brien and Sargent are back at their old positions as forwards and are looping them in their own fine fashions.

A difficult schedule has been lined up, games being scheduled with members of the "Big Five" and leading teams in the S. I. A. A. A trip through Florida has appeared on the schedule. Games with Rollins, Southern, University of Florida and Stenson will be played. Another trip that has been on the cage menu for several seasons is the one up through Tennessee, Kentucky and West Virginia where leading athletic clubs and colleges of this section are met.

VARSITY BASKETBALL SQUAD

Basketball

O'Brien

"Hot" is back for his last fling as a fast-stepping forward. This little lad led the Panthers in scoring last year and bids fair to repeat this season. O'Brien is playing under the load of an added burden this year, as he was elected captain by his mates at the end of last season's play.

Currie

Brand is another hardwood artist who will hang up his togs at the end of this year and call it a job well done. For three years Brand has held down the position of guard on Panther basketball teams and in each game was lauded by the coaches and players as a clean-cut, square-shooting player.

Black

"Pedro" never seems to tire when engaged in a cage tilt. He just grins and plays and plays. A reformed center, Pedro has been filling in the gap in a very acceptable manner. His long suit is getting the ball from the blackboards and slipping it under the basket to take a pass from a mate and sink a "crip" shot. Black has one more year to serve on the basketball team.

Battle

"Big Boy" is a guard that is hard to get around or by in this game called basketball. Fans marvel at the speed in which Battle moves over the polished floors in covering his man and helping out a troubled teammate. This is Bill's last fling at basketball.

Basketball

Sargent

Joe is the crazy shooting forward that keeps the fans on the edge of their seats wondering just what this fellow will do next. Any angle looks hard to Joe as long as the angle is an impossible one. He shoots them from any position that you might name. This is Joe's third and last year as a basketeer.

McCoullough

"Jackie" is making his first try at collegiate basketball this season. He has been used as a guard and a man who puts the two pointers in from the far reaches beyond the center. McCoullough has another year of basketball before him.

Vaughn

Loy is the speed man of the Panther aggregation and when he flashes out on the floor he is hard to keep tag on. Vaughn is playing a fine game as a first year man and much is expected of him in the next two years.

Stewart

Jimmie is another man from last season's Rat five that has stepped into a pair of varsity shoes. Stewart plays a great floor game and is an accurate passer. This lad has two more seasons on the team.

Waller

Waller stepped from the frosh ranks into the position of guard on the regular squad. He lead the team at scoring the year before, but due to a draft of guards on the varsity squad has been changed to that post. Wylie has two more years on the hardwood floors and should develop into a finished product after his three years under Coach Englebert.

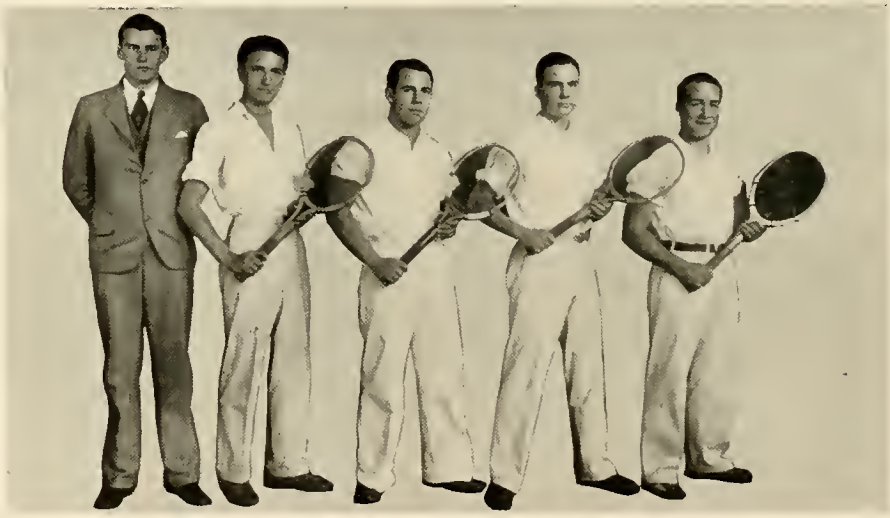

The racquet wielders again experienced a very successful season on the courts, the Panther aces winning over all comers—Alabama, Emory, Howard, Auburn and Tennessee Wesleyan. This is the third season that the netmen have come through without a defeat chalked up against their record.

The most overwhelming victory of the year was over the Howard Bulldogs, arch rivals of the Panthers. In the two tilts the Panther aces rode over their east side opponents, 6-0, 6-1. The Auburn games were about as one-sided. The Tigers were shunded back to their lair, 6-2, 6-0.

Captain Barcliff led the team and played position number 1. Other members of the team were: Casey, 2; Green, 3; Beiman, 4, and Miller, 5.

The schedule for this year has been partly drawn by and some of the strongest teams of the South will be met. From last year's squad returning there are: Greene, Miller, and Beiman. These men will be used as the nucleus, around which Coach Eckert will build his team.

A fall tennis team was organized this past year. Greene, Beiman, Miller, Stewart and Wright are the players who made the squad. Several inter-city matches were held, with the Hillians coming up victorious in all.

TENNIS TEAM

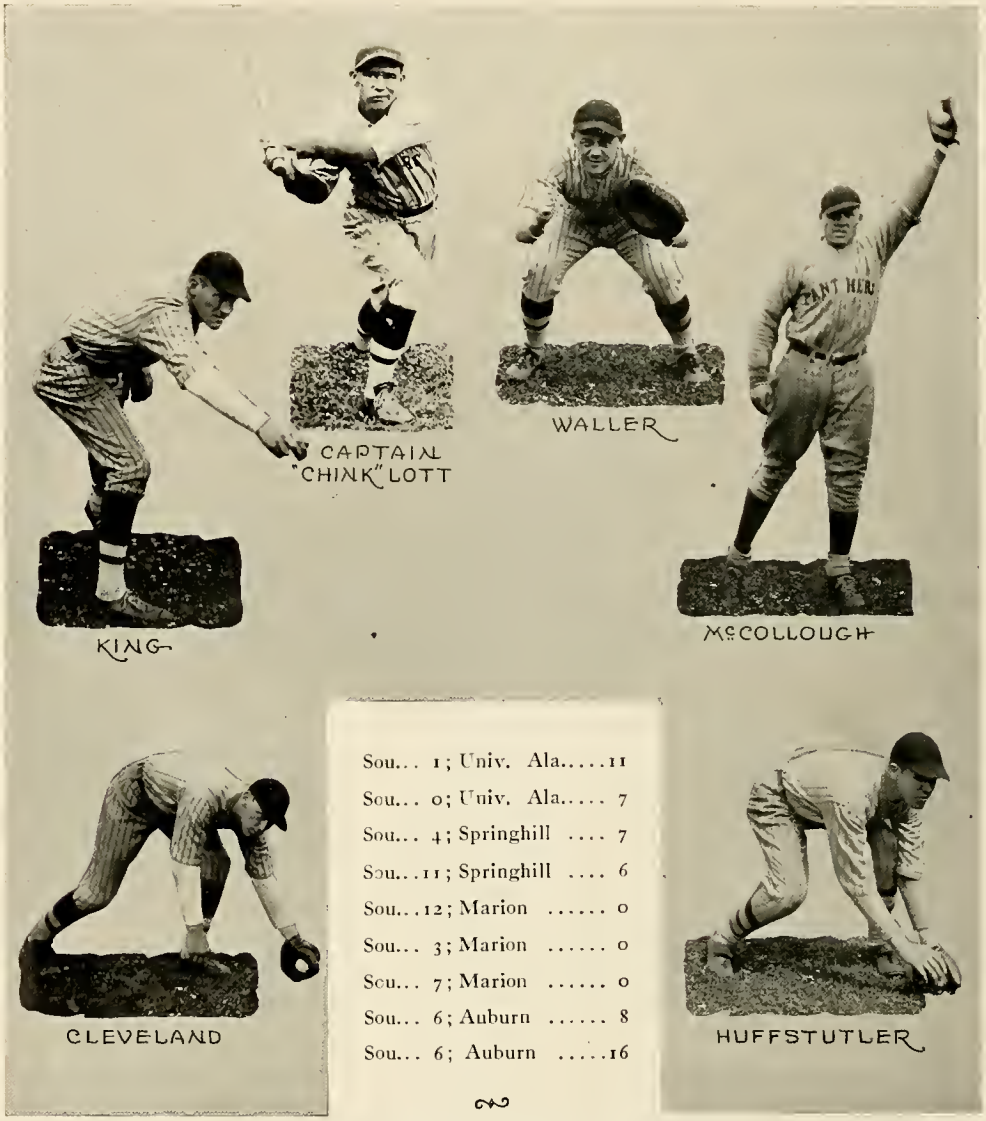

Under the tutorship of Coach Robinson Panther baseball fell from the ranks of S. I. A. A. champions. The Cats also dropped the annual tilt with the Howard Bulldogs. Four letter men failed to return for the call to baseball last spring, McTrottes, Hill, Giddens and Henry passing out with their diplomas. The loss of these two moundmen and the two infielders was really felt. McTrottes was perhaps the best hurler that ever graduated from Southern, Hill and Giddens were two of the most dependable sort of infielders.

Eight letter men returned to the fold, Waller, Ogle, King, Beagle, O'Brien, Lott, Smith and Battle answering the call. With a few men coming up from the frosh nine a full team was mustered out. The season got under way slowly, with the Cats dropping quite a few titles to the industrial teams of the city. The schedule ended with the Panthers eight markers in the win column and nine losses on the other side of the ledger.

Five men were graduated from the team, Lott, Waller, King, Ogle and Beagle. These shoes will be hard to fill when the call goes out next spring for baseball. Lott was a wonderful outfielder that could show his heels to any collegiate baseballer he ever struck up against. One of the most spectacular catches ever made by an outfielder in Birmingham was made by this little fast-stepping fly-chaser. Waller's post

Behind the bat will be a place that will be hard to replace. For three years "Les" held down the offerings of the Panther hurlers, always a steadying influence in the time of need and a good hitter in a pinch. "Les" will be missed. King came into his own last year. While not winning all his games by any means, he hurled a good brand of baseball. John possessed all the requirements of a good pitcher. He had a good fast ball, a hard knuckle ball and a deceptive delivery.

Ogle had hard luck in his last year. He never seemed to be able to get his control down fine enough to allow him to stay the route. With his control Hugh was a man hard to beat and one that was seldom knocked out. Beagle, a heavy hitter and a flashy fielder at times, will be hard to replace. Everywhere the Panther team visited Beagle's hitting was the talk of the game.

Lettermen returning for the team of 1930 are: Captain Smith, Battle, Carter, McCoullough, O'Brien and Cleveland.

VARSITY TRACK SQUAD

Track

The Panther cinder artists were not as successful in last year's meets as they had been in previous years. Only two letter men reported to Coach Robinson at the start of the season. Three new men stepped in from the frosh ranks of the year before and made letters. Only five letters were awarded, Lott, Ogle, Taylor, Black and McNeese receiving the merits for work on the squad.

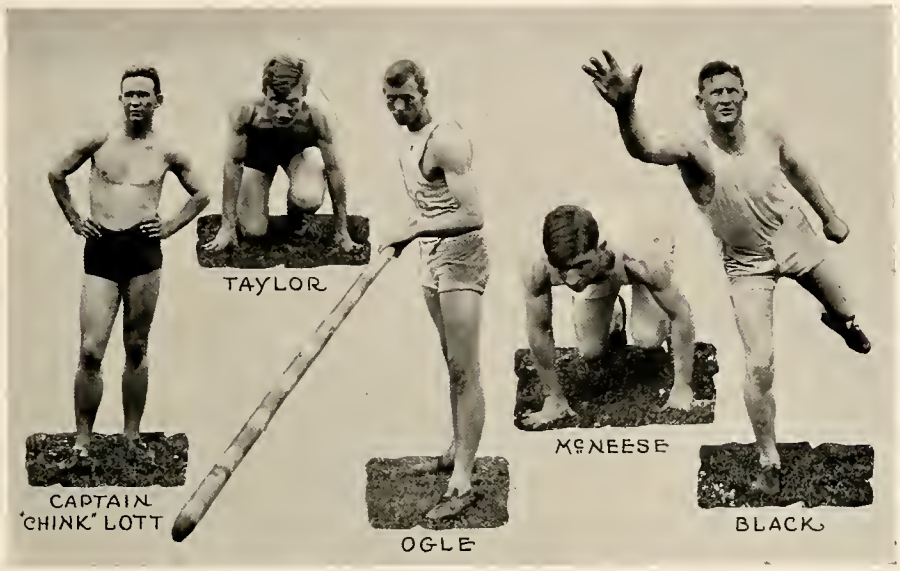

Alabama's light lads met and defeated the Panther in their first meet of the year. The 'Bama measure the Robinsonites 90-25 in a very one-sided affair.

The cats fared a bit better in their annual Birmingham triangular meet, coming home in second place. Here second place was sweet as the Howard spike squad was left very much in the rear. The scores were: B. A. C., 69; Southern, 62; Howard, 19. Ogle was high point man with twenty-seven markers.

Southern played host to a quadrangular meet, inviting Mississippi College, Chattanooga and Howard. In this meet Southern came in again in second place, Mississippi College running away with the meet, Chattanooga and Howard following in line for points.

Emory pulled the last meet, a dual affair, from the fire by a great stand in the field events, winning 52-46.

Prospects for a better team look fair, with many men coming up from the freshman ranks to fill in the vacated spaces.

TRACK LETTER MEN

Track

Black

For a first year man "Pedro" promises much before his days are over. He starred in the javelin, shot-put and high hurdles. Black was elected to lead this year's cinder men.

Taylor

"Frankie" was one of those "pick 'em up and put 'em down" men, running the 440-yard, 220-yard and 100-yard dashes. Taylor helped to capture many points during the season and will be depended upon to act as star sprinter for next season's squad.

Ogle

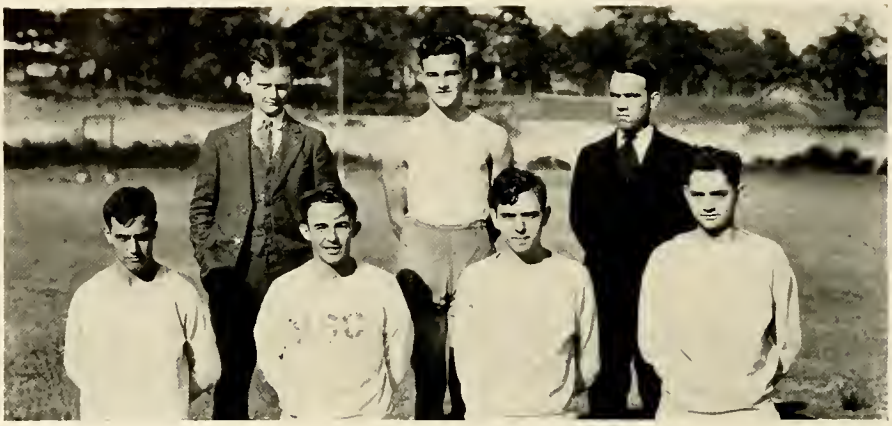

"Shorty" has been high point man in most of the meets that he had entered since starting to school. It was nothing for Ogle to go out and annex from fifteen to twenty-five points in each meet. He starred in the discus, high hurdles, high jump and pole vault.

Lott

Before football injuries slowed him up "Chink" was one of the fastest 100-yard sprinters in Dixie. He has been clocked under ten seconds in two trials in college. Lott also starred in 220-yard dash and hurdles. He was the captain for the past year.

McNeese

"Osler" was one of those hard-working chaps who was everlasting doing his best. He finished up in the points many times in the 440-dash and the one-half-mile run.

CROSS-COUNTRY SQUAD

Cross Country

The 1929 hill and dale team was placed under a great handicap in that no letter men returned for the squad. All available material was recruited from the frosh squad of last year and unseasoned reserves. Much time was put into training with material so low and the team had hardly reached the peak of their power by the time of their first meets.

McCain was elected captain of the squad after the first few tryouts and he proved to be the mainstay of the squad for the rest of the season.

The Southern barrier team wandered over to Atlanta to meet the Georgia Tech team in a little running meet. In this fracas the engineers showed too fleet a squad and the Panthers finished behind. McCain and Poole pushed the Tech leaders, but the rest of the squad failed to show the other speed needed to capture the meet. McCain lead the field in the good time of 16:10.

As before, the annual Cooper Road race is the big place in the schedule of the Cat long distance runners. In this meet McCain with an added burst of speed in the final 100 yards come in to set a school record of 16:35. This meet was run during the halves of the Mississippi-College-Birmingham-Southern College football game. Poole came in a good second and C. Wilson and Goodwin closely bunched in the rear.

Next year's team should show added strength with only one member of this year's squad graduating. Coach Bryan is to be congratulated for the nice showing of the team. Letters were awarded to McCain, Poole, W. Wilson and Goodwin. C. Wilson was awarded the freshman numeral.

Mid-Term Dances "Infernal" Success

Mid-term dances, sponsored by the Southern Ministerial Association, have made their successful debut at B. S. Raw! Raw! In fact, the success was so immediate that Dr. Snavely announces that clas es will be dismissed one week ahead of schedule in order for the students to enjoy themselves to the fullest extent.

The plan of decoration was novel and interesting. The S. A. B., under the direction of Dr. Claude O'Rear, resembled Dante's Inferno done in red, with Dean Mead and James Saxon Childers in the receiving line. Shaded red lights gave forth a lurid glare, while brimstone confetti sifted down constantly during the no-breaks. In the corner, Si kept a bon-fire fed by the ten-minute dissertations of his darling pupils, crackling wickedly in time to the saxophonic moaning of Gilbert Sanford's "Syncopatin' Satans Orchestra." Running Si a close second in originality came Dean Gilbert Mead, whose devil's suit of red flannel "sleep-ins" matched the diabolical cut of his ecstatic Van Dyke. Dr. Poor was conspicuous among those present by his ecstatic grin, which made known to all that the brimstone was of the best geologic quality.

Downstairs the bookstore became a bar room for the convenience of members of the faculty, whose devil costumes did not permit them to "tote their own." Dr. ——— was seen crossing the bar with a Shelby county special in one hand and a bottle of Listerine in the other.

The Epworth League room made a crapshooters rendezvous for members of the Y. M. C. A. who do not dance.

On the stroke of twelve, Miss Thresa Drumheller, with Representative Lloyd Tubb, led the dance with a particularly doggy "devil drag." Miss Drumheller has announced that next to "yo-yoing" she likes nothing better than to trip light fantastic toes. Immediately following the leadout, well-known feminine gold-diggers of the campus were presented with small spades for favors, which bore the seal of the Methodist Association of Colleges. Noted on lead-out were: Miss Rebie Perry, who was ravishing in her frock of egg shell satin; Miss Hazel Pierce, who was charming in her frock of "flaming youth red."

Charles Rice was noticed living up to his title of best-dressed man on campus. Mr. Rice wore novel red edging on his tux coat, and a dashing red stripe on his shirt.

LA REVUE
1930
BIRMINGHAM-SOUTHERN COLLEGE YEARBOOK

BIRMINGHAM, ALA.

Feb. 19, 1930

Student Body,
Birmingham-Southern College,
Birmingham, Ala.

Dear Students,

We want to take this opportunity to publicly express our thanks for the splendid co-operation shown this year on the part of the majority of the Student Body and Staff. Without this it would have been impossible to publish La Revue. As some of you know, the annual this year was published under very difficult and trying circumstances. Due to the very depressed business conditions here, and the agreement of some merchants not to advertise in college annuals, it has been very difficult to obtain sufficient revenue from this source. We all know that advertisements make it possible for us to have an annual. However, the real friends of the college have stuck with us and we urge you to give them your patronage.

In choosing the theme of the Civil War and Reconstruction days we thought that it would strike home more than anything else we could use. As we all know old Southern was disbanded on account of the Civil War, and afterward, like the rest of the South had to be rebuilt. It has grown with the South, and is now one of its most prided and beautiful institutions of learning. Our annual is a memorial of this college year. Save it, and in the years to come it will furnish us with many hours of amusement, and with many pleasant memories of our college days.

We have done our best, and we hope you are pleased.

Sincerely yours,

Bolling R. Powell Jr.

Editor.
